Sir

Having a seat in St. Peter's, Thave not any use for the Pew, which I have long held in Christ Church — Mr. Nases family have with my permission, occasionally made use of it, and if he should desire to take it in future, I hope he may have a preference — So to myself I now relinquish my Right after holding yt. Pew from the year 1754 to last Month, when I paid Mr. Jervis, & then gave Notice to Doct. Blackwell, that I gave up my Right — by his Direction, I now give you this Notice, being as he told me, the proper person to receive the information from
